The Registrar
Nigerian Institute of Quantity Surveyors
F.C.T Abuja

Dear Sir/Ma,

REFERENCE IN SUPPORT OF APPLICATION FOR ASSOCIATE MEMBERSHIP (MATURE ROUTE)

I write in my capacity as the Managing Director of APD Project Management Limited, a project management firm, to formally recommend Olusegun Megbabi, who is currently employed in our organisation as Senior Project Manager and Head of Operations, for the final assessment interview leading to Associate Membership of the Nigerian Institute of Quantity Surveyors via the Mature Route.

Over the course of 5 years, the candidate has demonstrated exceptional competence in both project management and quantity surveying functions. In his leadership role, he is responsible for overseeing project delivery, commercial management, contract administration, and the coordination of multidisciplinary teams across multiple projects.

He has consistently shown strong expertise in cost planning and control, procurement management, valuation of works, and the administration of construction contracts. His ability to integrate commercial discipline with operational execution has contributed significantly to the successful and efficient delivery of projects under his supervision.

Beyond technical capability, Olusegun Megbabi exhibits sound professional judgement, leadership maturity, and a high level of integrity, all of which align with the standards expected of a Quantity Surveyor seeking professional membership.

Based on my assessment, I am confident that he possesses the requisite experience, competence, and professional readiness to successfully undertake the NIQS final assessment interview. I therefore strongly endorse his application for Associate Membership through the Mature Route. Please feel free to contact me should you require any further information.

Yours faithfully,
