Sir,

LETTER OF RECOMMENDATION

I wish to certify that LAWAL RASHEEDAT ADEITAN (Mrs) is currently the Chief Technical Officer Quantity Surveyor for Estate maintenance in the Estate Department. She joined the service of National Iron Ore Mining Company (NIOMCO) Ltd, Itakpe, Kogi State on the 28th of November, 2000.

Since then Lawal Rasheedat Adeitan has been providing expert Quantity Surveying services, co-ordinating project management team and ensuring successful completion of the project. I also confirmed that she possesses the necessary qualification skills and engaged in various projects in the Company which also includes:

- Produced Bills of Qualities for the erection of 20 units of twins 2-bedroom flats in NIOMCO Itakpe Kogi State.

- Produced Bills of Quantities used as basis for tendering for renovation works of the Sole Administrator's office in NIOMCO Itakpe Kogi State.
- Produced Bills of Quantities used as the basis for tendering for renovation works of the Multipurpose hall in NIOMCO Itakpe, Kogi State.
- Supervised, co-ordinated and prepared interim valuations throughout the complete duration of various building projects.

In addition, I have found Mrs. Lawal Rasheedat Adeitan technically sound, highly experienced and professionally competent in the built environment.

I therefore strongly recommend her for registration as a Professional Quantity Surveyor by the Nigerian Institute of Quantity Surveyor, which goes a long way in eradicating quackery practices in the Quantity Surveying Profession in Nigeria.

Yours sincerely,
