

COST & PROJECT

MULTIVENTURES LIMITED

CONSTRUCTION, PROJECT MANAGEMENT & COST CONSULTANTS

23rd February, 2026

The Chairman,
Education and Training Committee,
Nigerian Institute of Quantity Surveyors (NIQS),
National Secretariat, Abuja.

Dear Sir,

ATTESTATION OF PROFESSIONAL AND ACADEMIC EXPERIENCE – OPATOKI, OLUWATOYIN HANNAH

I hereby write on behalf of **OPATOKI, OLUWATOYIN HANNAH** regarding her application as a **professional member of the Nigerian Institute of Quantity Surveyors**. I had known her for over thirty (30) years and she has been engaged in Quantity Surveying practices, construction activities and administrative responsibilities.

She has proven her competence in the supervision of sensitive and large construction projects, contract administration, and project management. Furthermore, she participated in several of the NIQS state chapter activities and also in the national conferences/seminars.

Opatoki engages herself in developmental activities in the industry for her to be competitive in the profession as she continues to learn about BIM, value engineering, and other evolving technologies in the industry.

In view of this, I am recommending her for the professional recognition and any necessary support that the Nigerian Institute of Quantity Surveyors can render her for her application to receive a favourable consideration.

Please accept my highest regards.

Yours sincerely,

Alli M. Abolaji (FNIQS, RQS)
For: Cost & Project Multiventures Ltd.
