18/3/2026

The Chairman,
Education and training committee,
Nigeria Institute of Quantity Surveyors (NiQS)
National Sec, Abuja.
Dear Sir/ Ma,

**ATTESTATION OF PROFESSIONAL AND ACADEMIC EXPERIENCE - OPATOKI,
OLUSEYE OLADOSU NATHANIEL (P020120)**

It is a pleasure to write this attestation in respect of the professional and academic competence of OPATOKI OLUSEYE OLADOSU NATHANIEL to affirm his application as a professional member of the Nigeria institute of Quantity Surveyors. Being a colleague at JAPPAUL OIL & GAS and having close professional working relationship with him at Foludy Four Nig. Ltd, I can confidently testify to his dedication, qualification, hardworking, competence and contributions to the Quantity Surveying profession. His experience in contract administration, project management, cost management, and facility management can not be over- emphasized. We have worked on many projects and I know him to be participating in training, workshops conferences organised by the institute. He is dedicated to Quantity Surveying profession in all his activities.

In the light of this, I am strongly recommending him for the professional upgrade to MEMBERSHIP status.

You may get in touch for any other clarifications.

Yours Faithfully
