LETTER OF ATTESTATION

I, OGUNRINDE Mofoluwaso, a registered Quantity Surveyor and a financial member of the Nigerian Institute of Quantity Surveyors (NIQS) with registration number 03890, hereby attest to the professional competence, experience and good character of **Mr. ARIKAWE Olawale Henry**.

I have known him for a period of 20 years in a professional and personal capacity and I have had the opportunity to observe his work and contributions within the Quantity surveying profession. During this time, he has demonstrated a sound understanding of Quantity surveying principles, including cost planning, contract administration, procurement and cost financial management.

Olawale has been actively involved in various construction projects and has consistently shown diligence, integrity and professionalism in the discharge of his duties.

To the best of my knowledge, Olawale is of good character and has conducted himself in a manner that upholds the ethics and standard of the Quantity surveying profession. I am confident in his capability and consider him suitable for admission into the membership cadre of the Nigerian Institute of Quantity Surveyors through the mature route path.

I hereby recommend him without reservation for consideration.

Yours faithfully,

Mofoluwaso Ogunrinde MNIQS, RQS
