WORKING EXPERIENCE

- | | | | |
|----|--|---|---------------------------|
| 1. | ASF Alliance Limited | - | August 2015 – August 2016 |
| 2. | Yasmat Cost Consult | - | Sept. 2016 – March. 2017 |
| 3. | Nigeria Deposit Insurance Corporation (NDIC) | - | Apr. 2017 – Date |

PROFESSIONAL PARTICIPATION:

- 1. Employer:** ASF Alliance Limited was incorporated in KADUNA, Nigeria with Registration Number 890384. It was registered on 02 Jun 2010. Company's registered office address is No. 41, Isa Kaita Road, Kaduna. The Company delivers innovative, high-quality, and sustainable construction, engineering, and real estate solutions nationwide, backed by over a decade of proven expertise.

I was employed as a Quantity Surveyor whose duties include but not limited to Quantity Surveying tasks such as taking-off, preparation of bill of quantities, material schedule, supervision of ongoing projects, office management, and other related activities.

- 2. Employer:** - Yasmat Cost Consult is a professional Consulting firm which was established to provide Quantity Surveying, Building and Engineering Management, Project Management and Construction Consultancy Services. I was employed as Quantity Surveyor II and the site manager, carrying out the preparation and documentation of tender, preparation of request for interim payments, analysis of subcontractor's quotations, preparation of request for variation.

- 3. Employer:** - Nigeria Deposit Insurance Corporation (NDIC), is a government organization established by NDIC Act No. 16 of 2006 with exclusive mandate of administering the Deposit Insurance System (DIS) in Nigeria. As a staff of the Corporation, I am involved in realization of physical assets of failed banks, I also prepare bills of quantities for renovation expenses of failed banks, vet submissions made by Landlords of bank buildings, prepare payments and make recommendations to Management of the Corporation in aspects that concerns Quantity Surveying in the process of carrying out my duties. After obtaining my membership of the Nigeria Institute of Quantity Surveyors, I will hopefully be redeployed to the Corporation's Engineering and Technical Services Department where I will be fully engaged in construction and other related technical services.
